COUNCIL SETS HEARING ON PROPOSED NURSERY

Albany Jaycees To Hold Beauty Contest June 13

The Albany Junior Chamber of Commerce has completed plans for the Miss Albany Dance and Beauty Contest, which will be held at the Albany High School Auditorium on June 13 at 8 p.m.

Contestants for Miss Albany of 1959 are considered from applications submitted by midnight June 10 to E. Coulon, General Chairman, 726 Solano Avenue, Albany. Entries to the contest will be rated 50 per cent by judges and 50 per cent by audience reaction and will be based on beauty of face and figure, poise and personality. Each contestant will appear in a swim suit and an evening gown.

Music for the evening will be presented by the "Black Hawks" who entertained at the Albany Centennial Street Dance this last fall. Admission for the event is one dollar per person.

Anti Rabies Clinic Scheduled For Albany Residents

Anti-rabies vaccinations will be available for dogs belonging to Albany residents during a one-day clinic at the Berkeley Animal Shelter, 2013 Second Street, Berkeley, on Friday, June 19, between the hours of 4 to 8 p.m. A fee of \$1.50 will be charged.

Anti-rabies vaccination of all dogs over the age of four months is required by state law. The shots are effective from 1½ to 2 years depending on the type of vaccine used.

Dog owners whose pets have not been vaccinated against rabies or have not received an anti-rabies shot since 1957 are urged to take advantage of this low cost clinic.

School Board Approves Budget For 1959-60 Year

The Albany Board of Education, at its regular meeting held on June 9, approved tentative budgets for the school year 1959-60 for the school cafeterias and for the Child Care Center. Neither the cafeteria budget, in the amount of \$58,036, nor the Child Care Center budget, amounting to \$86,905, reflect any local district property tax.

Among other business transacted by the Board was to receive a report from a special City Council-appointed committee on a combined City-School District recreation program. It was the recommendation of this committee, composed of Councilman Keck, Recreation Superintendent Nelson and Recreation Commissioner Burleigh, that the City of Albany supervise recreation on the elementary school playgrounds, with the cost of approximately \$2100 to be met by the School District. It was further recommended that the cooperative procedure be reviewed in the Spring of 1960. The board decided to await a recommendation from the City Council before taking further action.

Teachers approved for the Elementary Summer Session were: Mrs. Elnamae Olson, Mrs. Thelma Losh, Mrs. Lillian Grove, Mrs. Marilyn Halthcox, Mr. Robert Clawson, Mrs. Dolores Koger, Mrs. Marjorie Kane and Miss Dorothy Nichols.

Those approved as new teachers for the Fall Term were: Mrs. Vivian Satcher, Albany High; Miss Carol de Mont, Marin School; and Mr. Robert Jones, psychologist, half time.

Request of the Albert Lovett Company, sponsors of the El Cerrito Plaza development, for the rezoning of Lots 20, 21, 22, 23 and the north half of Lot 24, Block 33, Regents Park Map No. 6 for the purpose of establishing a nursery, was discussed at length Monday night by Albany's city council. The property is located between Evelyn and Talbot Avenues at the north city limits.

A similar request had previously been denied by the Planning and Zoning Commission on the ground that it had other plans for that area in connection with the long drawn out discussions over establishment of a city-wide zoning map, which still is far from adoption, even in modified form.

The property already is zoned "second residential," but would require zoning as "three-story commercial" to qualify it for establishment of a nursery. Councilman Howell spoke in favor of approving the firm's request on the ground that it would help to beautify the property adjoining Cerrito Creek, and most important of all, would add to the city's sales tax "take," Howell declared. "If for any reason the city's receipts from the rate track should suddenly be cut off, Albany would be compelled to raise its tax rates to care for the deficit. We should favor anything of a light commercial nature which would bring additional revenue to the city," Mrs. Zahn opposed the move on the ground the property was surrounded by homes and abstained from voting on the question, which passed 4 to 0. The public hearing is set for Monday evening, June 22.

Douglas St. John, vice-president of the Albert-Lovett Co., was present and stated that he had interviewed personally most of the residents of the area, and had everywhere met with a favorable reaction. Walter Brophy, Albany attorney, also spoke on behalf of the project as the representative of the Albany Chamber of Commerce.

In other action the council unanimously passed an emergency ordinance forbidding "dry sand blasting in the open" in the city of Albany. Mrs. Zahn and Councilman Howell spoke strongly in favor of the ordinance, stating that it was a menace to health. Letters were read from City Health Officer Dr. Robert T. McMahon, Police Chief Ralph M. Jensen and City Engineer John D. Dayton urging the council to pass such an ordinance.

The council also approved appointment of Fire Captain Richard McSheehy as assistant director of civil defense for the Fire Department, and Police Officer Wallace Madilla in a similar capacity to represent the Police Department. The vote on McSheehy was unanimous, but Mrs. Zahn dissented in the vote on Madilla, declaring she favored Inspector Art Smith for the post, whom she asserted, was one of the applicants and that she considered him better fitted for the position.

Woolworth, who will devote his full time as director of instruction of the Albany Unified Schools, and to their vivacious PTA President, Mrs. Thomas Beckhusen. But, Aloha also is a greeting to welcome their new principal, Milton Gordon, also Principal of Cornell Elementary, and to Vista's new PTA President, Mrs. Max Grosz.

A nominating committee consisting of Gertrude Garden, chairman, Lola Brown, Carolyn Matthews, Ernest Chapman and Bill Mulligan was appointed to select officers for the coming term of office which begins in July.

THE LAST MEETING of the Albany High Twelve Club before the club takes its summer vacation will be held in the Red Barn, 1742 Solano Avenue, at 12 noon Friday, June 12.

Guest speaker of the day will be William (Bill) McAuley of the Bank of America. McAuley will use as his subject the new credit plans which have recently been placed in operation by the banks in the East Bay area. According to President Coe, who will be the program chairman of the day, this is a very timely subject and of interest to business men and their customers. On behalf of the club, Doctor Coe is extending an invitation to all who are interested to luncheon with the club on this date.

WHAT'S DOING

With more and more cars on the road, safe driving is big part of any telephone man's job. Take our telephone installers for example. Each installer takes a course in "defensive driving" before he gets behind the wheel of any telephone company car or truck. Also make sure he doesn't forget the things he's learned takes a check-up ride periodically, and a complete test every 2 years. What's more, he even has his tested every 3 years. Other telephone people who company cars also get training in "defensive driving." This extra care helps us to be better drivers and our part to make the streets safer for everyone. We believe we serve you best when we serve you safe.

TWENTY FIVE YEARS OF SERVICE
Lois Woods recently celebrated her twenty fifth anniversary with Pacific Telephone. Lois came to the local office in 1956 after spending the earlier part of her career in the San Francisco area. Soon Lois will transfer to San Francisco where we know her friendly, helpful way will continue to be a shining example of good service to telephone customers. Above, Lois receives a 25 year certificate from District Manager, Tom Winburn. Congratulations to Lois for good luck. Pacific Telephone.

Chamber Chatter

By IRENE GROVE

nicest thing about vaca-
is being back home again.
many times have you
these words or said them
selves?

Why don't they . . .
really most annoying. Why
they do something about
parking problem in this
It's hurting my business
costing me money.

And why haven't they done
something about modernizing on
our main business street? Why
don't they do something to pro-
mote more retail trade in our
city?

Also why don't they . . .
Now is the time for an inter-
ruption in this line of conversa-
tion . . . who is meant by "they"?
who are these people who should
be doing all this and that to im-
prove business and the commu-
nity?

Let's take a closer look at
"them" . . . they look like you
and you . . . Albany business men
and women . . . You are they.

This is where your Chamber
of Commerce enters the picture
by working together in your
Chamber of Commerce these
thoughts gain substance, become
progressive actions . . . a result
of thinking in terms of "we" not
"they".

Going on your vacation soon?

A New Organization for Persons Who Have Retired

New York—Less than four months after its organization, the American Association of Retired Persons has enrolled more than 7,000 members, it was announced today by Dr. Ethel Percy Andrus, President. Organized to further the interests and broaden the outlook for America's 15,000,000 citizens over 65, the Association has headquarters in Ojai, Calif., and New York City.

Dr. Andrus, a retired school teacher and founder of the Association, reported that the membership now covers 48 states and the District of Columbia, including persons from virtually every walk of life.

Of major importance to elderly people is the Association's group insurance plan, providing nominally-priced health, hospital and surgical coverage for members past the usual insurable age limit of 65, without requiring either a physical examination or report on previous medical history. The National Retired Teachers Association, of which Dr. Andrus is a former president, pioneered in obtaining a group insurance plan for its members a few years ago. Later this was extended to retired civil servants. The current program is the first attempt to make it general-

ly available to all persons over 65.

Other activities being carried on by the American Association of Retired Persons include a consultative service to advise on problems of employment, housing, family relationships and "golden age" interests. The first counselling office has been set up in New York.

A travel service arranges group tours geared to the leisurely pace and restricted budget of the older, retired tourist. Guides are trained specially, visits are made to equable climates and arrangements are made for off-season reduced prices, as part of the Association's program to widen the horizon of the country's rapidly increasing population of older persons. Groups have already visited Florida and Europe and another is preparing to tour the Mediterranean.

Right now the energetic AARP president—who admits only to being "over 65"—is engaged in a campaign to obtain additional tax advantages for the men and women of legal retirement age and status. While president of the National Retired Teachers Association, she was successful in reducing the federal income tax for retired persons over 65 by having their personal deductions raised from \$600 to \$900.

She issued an invitation to all interested persons to write for information to the American Association for Retired Persons at 76 William Street, New York, N. Y., or 310 East Grand Avenue, Ojai, Calif.

man again pitched a two hit shut-out to win by a score of 14 to 0 while his teammates gave him excellent assistance by playing errorless ball. O'Gorman faced only 25 batters in 7 innings, striking out 5 and issuing only two bases on balls.

In Sunday's game, Terry Litolf, 13 year old Little League grad, pitching his first Babe Ruth league game, scattered six hits to beat Huestades 12 to 4. A little shaky at first he settled down and in the last two innings retired the side in order. Bob Kantor lead Albany's seven hit attack with a home run in the fifth inning with two aboard. In Tuesday's junior division game, Albany beat Chapel of the Flowers by a score of 17 to 2.

Next weekend, Albany meets Berkeley Fire Fighters (2-2) on Saturday at 10 a.m. and Claremont Hotel (2-2) on Sunday at 1:30 p.m. Both games at Memorial Park.

Letter to Editor

Dear Editor:
Anyone who was at the opening baseball game Saturday of the Babe Ruth League could see for himself how these boys put everything they have in playing baseball and getting nothing in return but the pleasure they get out of playing, you could also notice they had no name on their uniforms, no one to play for, they are without a sponsor. The only team on the league schedule without one, this is very discouraging to the boys and their coaches. These men, their manager and coaches are giving up a lot of their time to teach these boys.

There was great disappointment to many of the boys who tried out for the team, when cutting time came. Instead of having the usual two teams, they can have only one, so many of the boys won't be able to play at all this season.

The Babe Ruth League provides a valuable training ground between the Little League and the American Legion League.

There must be some service club, or business firm, or even an individual who could finance this group; the expense is not great. As a result of not having a sponsor the coaches have to go to great lengths to raise funds for the team.

Let's not let our boys down; they will be the baseball players of the future and wouldn't you be proud to say you helped?

Mail orders are now being received at the Alcazar Theatre in San Francisco for the brief engagement of that exciting New York comedy hit "Once More, With Feeling," which opened at the Alcazar on Monday evening, June 8.

Starring Fernando Lamas and Marjorie Lord, this new Kernitz play deals with an egocentric symphony conductor, and his wife Dolly whom he met and won when she was a harpist and he the musical director in a motion picture theatre.

As the curtain rises, the two have been parted for three years. Dolly fled the Maestro's evil baton when, in a characteristic tantrum, he put his foot through her harp and she retaliated by breaking over his head his album of Sibelius' Fifth Symphony.

Brilliantly successful in the 10 years he presided over the Chicago Symphony Victor's prestige has plummeted since Dolly's flight, thanks to his genius for antagonizing musicians, soloists, impresarios and managements. As a guest conductor, to quote his manager, he is running out of orchestras. His prospects offer him nothing better than the Fargo Philharmonic and a Beethoven Festival at Yuma, Arizona. Comes an offer to resume his exalted post in Chicago with the proviso that Dolly must participate. How to win her back? The ruses and deceptions and the treacheries employed by the daft Fabian in his adventure make a hilarious comedy, one that characterizes the lunacies of musicians, their fits and fevers and follies. Arthur Kernitz has satirized the deliriums of musicians with the same skill with which he lampooned the chicanery of painters and their patrons in "Reclining Figure."

George Tobias, of stage and screen fame, is also starred and the supporting cast includes Sam Hearn, George N. Neise, Howard Wendell, Henry Gordon and Jerry Barclay.

"Once More, With Feeling," will be presented each evening, except Sunday, with matinees on Wednesdays and Saturdays during its run in San Francisco at the Alcazar Theatre.

Baking With Ease

Catching a whiff of warm, freshly-baked dinner or sweet rolls is probably one of the most appealing experiences imaginable, surpassed only by the pleasure of sampling a buttery, crusty yeast-risen delicacy. Treat your family and friends to real home-baked rolls and sweet breads made the new modern way with Simple Simon's frozen yeast dough, EASE. This new convenience product eliminates all the fuss and muss of measuring, mixing and kneading... simply defrost, shape and bake. You can be sure the rolls you bake will be beautifully golden brown outside, light and tender on the inside, with an old-fashioned home-baked flavor never found in ready-baked or brown-and-serve baked goods.

Ease has an infinite variety of uses... makes everything from dinner rolls to doughnuts. Included in every package is a recipe folder with step-by-step illustrated instructions for making 15 home-baked favorites. Pick up several packages of Ease from your grocer's frozen food cabinet to have on hand. Bake a batch of rolls, a loaf of bread or a pretty Swedish Tea Ring and invite friends and family to gather 'round for an old-fashioned treat, hot and fresh from the oven.

Playgrounds Department Makes Elaborate Plans for Vacation Recreation Program

All Albany Playgrounds are ready to help make this summer one to be long remembered by Albany's small set. Playgrounds will be open from 10 a.m. to 8 p.m. with a program for most ages. Each playground staff has planned to help your youngsters have fun and learn something new.

Recreation staff at Memorial Park will be working with Head Director Merle Eaton. Staff members include June Farley, Wes Tamm and Phil Givant.

Veteran leader Gene DeSoto will be at Terrace Park with Marian DeSoto giving assistance in the morning hours. More than 100 youngsters between the ages of 7 and 12 have registered for the Albany Recreation Department's summer day camp at Terrace Park, Francis and Tevin Streets, it was announced today. Sign-ups started last week at the park for the seven one-week sessions scheduled from July 6 through August 21 and will continue until June 21. The camp program will include crafts, hiking, nature study, excursions and community nights. An evening campfire program will be conducted each Thursday evening.

The Community Center staff will be headed up by Center Director Bud Rooney. Directors Cathy McElroy, Janet Benjamin, Kurt Freeman and Jim Hallihan complete the staff.

Superintendent E. L. Nelson announces that several new programs will be added such as mo-

Albany To Have Vacation Matinees

Starting on Wednesday, June 17, and every Wednesday during the summer school vacation the Albany Theatre will have special matinees for children. These shows will last from 1 p.m. to 4 or 4:30 p.m. The pictures to be shown will be approved by the Berkeley Motion Picture Council, the organization which for many years has studied and approved the Saturday matinee shows at the Theatre. The pictures shown for children are submitted each show to Mrs. John Hoffman of Berkeley in charge of the Film Library of Children's Pictures; the films are judged as suitable and then all parent organizations in the area adjacent to the theatre are notified. Notices are posted in the Berkeley and Albany schools during the school term and in vacation will be advertised in all daily and local papers.

**Flowerland Nursery
Introduces 'Hi-Press'
Peat Moss at Sale**

Bargains in begonias — reductions in rhododendrons — values in violas; it's sale time at Flowerland Nursery in Albany this weekend.

There will be sensational buys in plants, tools and patio furniture in Flowerland's "Smart" Pre-Summer Sale. Mr. John Meich announced today.

A new and distinctive granulated peat moss from Sunshine Garden Products, Inc., of San Francisco will be introduced. Sold under the name of "Hi-Press," this new product has been successfully launched in the Pacific Northwest and, more recently, in the Salt Lake City and Los Angeles areas where its acceptance by both amateur and professional gardeners has been excellent.

Hi-Press is pure Canadian Sphagnum Peat Moss—a type of peat moss generally recognized as one of the finest peat moss varieties available in the world. During manufacture, the natural sphagnum material is compressed, then reduced to a mass of small granules—a procedure which makes the end product less bulky and easier to use and handle than are other available forms of peat moss.

An interesting feature of Hi-Press is the reaction of the individual peat moss granules in the presence of moisture. When a Hi-Press mulch layer is watered, each granule absorbs the water almost instantaneously, expanding almost five times in volume in the process. As a result, it is possible to obtain from one 50-lb. bag of this new product, coverage which is approximately equal to that obtained from a full bale of regular peat moss.

The advantages of Hi-Press Peat Moss, over the regular forms are many—and all contribute to gardening convenience.

ALBANY YMCA 'WHITE CAPS' Synchronized Swimming Club presented an Aquacade Sunday afternoon, May 24, at the Albany swimming pool with 8 synchronized, costumed spectaculars in music and water ballet performance. A special feature was the Ruuska family, with Sylvia, Olympic medal winner, her sister Pat, and Carolyn Schuler, recent winners in the National A.A.U. meeting. Coach W. O. Ruuska, with his three champions presented a display of swimming skills necessary for champions. In the above picture are: Left to right, kneeling, Becky Newman, Elizabeth Cain, Bonnie Chapman, Margaret Wilkes, Susan Schaefer, Rilla Townsend, Peggy Jakel, Judy Pool, Pamela Valli, Reiko Yamashita; middle row — Sharon Cooley, Mary Glavinovich, Diane Parke, Carol Tienson, Joan Lunderville, Carol Spicer, Lana Butt, Karen Downing, Carole Puzey, Pat Nystrom; top row — Anita Schaefer, Nancy Morgan, Bonnie Ellison, Nancy Wall, Dolores Weaver, Linda Johnson, Linda Whiteman, Grace Dugan, Peggi Webber, Sue Andrews. Head instructor is Mrs. Dorothy Trapanese assisted by Mrs. Bonnie Chapman. Elmer F. Coble, Executive Secretary of the Albany YMCA is directing the Aquacade.

tribute to gardening convenience. Hi-Press takes moisture faster, it can be hand spread or used in a fertilizer spreader with equal facility, and the smaller granules are less likely to be affected by normal finds after the material has been applied.

Composed wholly of pure Canadian Sphagnum Peat Moss, new Sunshine Hi-Press Peat Moss is 98 percent organic. It helps support vital bacterial growth in soils, assists in keeping soils loose and friable, and promotes better growing results with scores of everyday garden favorites.

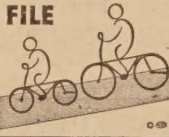

**Folk Guitar Classes
Planned for Albany**

The Albany Recreation Department will sponsor a series of folk guitar classes to be taught by Barry Olivier, Berkeley folk singer. The classes are open to all ages and will be held in the

afternoons, Mondays 1:30 to 2:30 p.m. These are the first such classes to be offered in Albany—similar classes having been successful in Berkeley. "All a student needs is a guitar and an interest in singing," according to Olivier.

The class will begin Monday afternoon, July 6 and run twelve consecutive weeks. It will be held at 850 Masonic Avenue, Albany. For further information contact the Albany Recreation Department, LA 5-5704.

**Albany Babe Ruth
Team Wins Opener
By 13 to 0 Score**

Jerry O'Gorman pitched shut-out ball, allowing only two hits and striking out eleven in Albany's 13 to 0 win over Chapel of the Flowers in Saturday's opening game of the 1959 season. O'Gorman faced only 26 batters in seven innings and was given excellent support by the sparkling infield play of his teammates who played near errorless ball.

Albany's hitting attack was led by John Lowell with two for four and Danny Souza, Bill McKenzie and Bob Kantor who each cracked out doubles.

In Sunday's game, Albany lost a hard fought, seesaw game to Berkeley Post 7 by a score of 8 to 11. Gary Hall banged out three of Albany's ten hits in four times at bat while John Lowell again came through with two for four.

In Saturday's pre-game ceremonies, the colors were presented by the color guard of Boy Scouts Troop 12, Bobby Blank and Bill Porter, while the National Anthem was played. Bob Litbliff, Albany Little League President, tossed the first ball to his son Terry.

**Tuesday Night
Bridge at YMCA**

Registrations are still being received for the Tuesday night bridge class at the Berkeley YMCA. Lessons feature the new Goren point count method as it is applied to the bidding and play. Mrs. Herbert Rankin, instructor starts her class with a lecture period which is followed by supervised play.

Registrations may be made at 7:30 p.m. prior to the class which meets at 7:45 p.m. to 9:15 p.m. or may be made at the main desk of the YMCA located at 2001 Allston Way in Berkeley.

Hi-Press

SPHAGNUM

PEAT MOSS

Here's what makes Sunshine Hi-Press different...

HI-PRESS is highest quality pure sphagnum peat moss to which great pressure has been applied to eliminate excess water and air and to compress and bind together the peat moss cells. Yet the cells themselves never lose their ability to re-absorb water and re-expand.

Thus, compressed and granulated HI-PRESS gives a dense, free-flowing and easy spread material. And when wetted, HI-PRESS expands many times its original size. Each granule absorbs moisture, and return to the original, fluffy fiber of natural, spongy peat moss.
